

Fulmer Infant School

13th October 2017

Dear Parents and Carers,

Macmillan Coffee Morning

The total amount raised by this event was £477. Thank you so much for all the cake donations and money donated on the day, what a great effort by everyone involved.

Fulmer Football Club

Well done to: Freya, Haroon, Yusha, Olek, Cooper, Jamie, Hope, Hudson, Stanley and Harry for playing so well in the football tournament at Dair House. They played 3 games and won 2 and lost 1. Both Harry and Jamie were stars scoring 3 goals each!

A huge thank you to Mrs Parrett and Jamie's father who were fantastic coaches.

There will be another tournament in the Spring term.

Drumming Workshop

The school celebrated Black History month last week with a wonderful whole school drumming session. Each class had a workshop and performed at the end of the school day to parents and carers. It was all great fun.

Labelling

Please can you check that you have labeled all your child's clothes and their water bottles as several children have the same water bottle. Thank you for your cooperation.

Match Funding

Many companies will help charities, including schools, through a matched giving scheme. Some will match pound for pound, and others will even double match funds raised for registered charities by its employees. If any of our parents works for a company which offers this service, please contact the school office and we can forward your details to the PA. We have a list in the school office of the companies currently offering this great scheme.

Plates

There are two red plates and one white, plastic decorated plate in the school left over from the MacMillan coffee morning. Please do call into the office to collect them. Thank you.

Year 2 Trip

Year 2 spent a delightful day at the Iver Environment Centre learning about how food is grown as their topic this term is 'food'. They all had a wonderful day and Mrs Mardell reported that they were great ambassadors for the school. Thank you to Mrs Mardell for organising the trip.

Our Garden

Our garden had a complete makeover last week thanks to Mr Robinson (plus helper) from Pinewood Nursery (Elena's father in Reception) and Sue Kirby, our Chair of Governors. Many, many thanks to both of you and a huge extra thanks to Elena's father who has most kindly offered to donate much needed manure and seeds for the garden and help further with weed management.

And thank you to Sue for teaching the children how to grow these wonderful vegetables. The children have had such fun watching the food grow from seeds and thoroughly enjoyed harvesting them this week. The organic vegetables will be put out for parents to take home and cook for their families after school.
