

## **Fulmer Infant School**

### **Summer News 2015**

#### **Opening of hall**

Wow what a triumph!

It was so lovely to see so many people enjoying themselves. Everything, right down to the weather, was perfect! The singing, as ever, was tear jerkingly joyful and for those of you who weren't there Suhani Khambe told our VIP guest, Will Greenwood OBE, that Fulmer Infant school is 'better than Disney Land!'

#### **The Garden**

Thank you so very much to Mr Dupree (Harley's father in Year 2) who sent three of his employees to school to tidy up the premises especially the school's garden which has been so neglected because of the building work. The men worked tirelessly for nearly three hours and did an amazing job. It all looked super for the opening of the hall. Thank you.

#### **Walk to School**

Thank you so much to Isobel Dorling and all her helpers for making 'Walk to School' week such a success. It's so important for our environment and personal well being to walk rather than drive to school.

#### **Drumming workshop**

Now that we have a hall we can have drumming workshops (too loud in adjoining classrooms!) and what a day it has been today! The children thoroughly enjoyed themselves developing their sense of rhythm as they learned how to play the drums. The presentation at the end of the day to parents was absolutely wonderful. Well done children!

Best wishes,
