Intended outcome	Success criteria
Children will arrive at school on time and be ready for learning.	Attendance is above 95%. Punctuality is above 95%. Children will understand the importance of eating a healthy breakfast. Children will have eaten breakfast at home or will arrive at school in time to attend breakfast club.
Children will participate fully in all curriculum based learning, they will have appropriate uniform and equipment. They will widen their cultural capital by participating in school trips and visits.	Children will wear school uniform. Children will wear appropriate footwear. Children will have correct P.E. kit. Children will have appropriate school equipment. Children will attend school trips.
Children will be able to listen and attend to others. Children will leave Fulmer Infant School at the end of Year 2, reading fluently and being confident with number.	Children will be able to speak in full sentences, can explain ideas, respond appropriately to others and take turns in conversations. Gaps in knowledge in reading and mathematics skills are identified. Targeted interventions to close the gaps are in place. Children achieve to their potential in Reception Class Children achieve expected level or higher by the end of KS1.
Children will have the opportunity to develop their skills in sports and creative activities by attending a range of after school clubs.	Children will attend at least one after school club every half term.

Children were assessed using the end of KS1 optional SATs papers. The children have support plans in place and progress has been made from their starting points in all areas. The support plans are shared with parents, so they fully understand what their children are learning and are able to reinforce this at home.

Pupil premium children attended at least one after school club each half term, breakfast club and fully participated in all school trips. Additional resources such as school uniform and other equipment were provided throughout the year. This allows all children to fully enjoy school life along with their peers, resulting in strong wellbeing and school community involvement.

Attendance was closely tracked and a strong relationship between family and home established. Support for attendance was given by school when necessary.
