

Dear Parents and Carers

We have reached the end of the Spring Term after another very busy two weeks! Last week we enjoyed the Year 1 Class Assembly and our Wonderful Women Assembly, when we celebrated all the wonderful women in our lives. This week we thoroughly enjoyed our Easter Hat Parade.

Year 1

Last week we enjoyed a wonderful class assembly from Year 1. It was great to hear about everything they had been learning and our particular favourite was the sock puppet song.

Year 2

Year 2 enjoyed planting summer bulbs in Science this week.

Our Easter Garden – Thank you Mrs Matthews!

Our school garden has been visited by our very own Easter Bunny in the shape of Mrs Matthews one of our volunteer readers.

Thank you so much Mrs Matthews for all you do for our school and especially for making our school garden a bright and cheerful place for us all to enjoy!

Achievements Outside of School

We love to hear about the children's achievements outside of school and to celebrate these in our Friday Celebration Assembly. If your child receives a certificate or award for something they do outside of school, please do send it into school and we will celebrate it during our Friday Celebration Assembly. This week we celebrated O and D in Year 2, for their great achievement with Chalfont Swans who won their cup final on Saturday 22nd March. The score was 5-0 and O scored 4 goals. We celebrated A in Reception who was Man of the Match and Player of the Week at his football group and M in Year 2 who has moved up to Level 5 in her swimming group. We also celebrated D in Year 1 who has been awarded Student of the Term in her ballet class, P in Year 2 who achieved Level 14 in swimming and L in Reception who achieved Level 4 in swimming. Well done D, O, A, M, D, P and L!

Attendance at School

We all know how important it is for children to attend school regularly. To help with this, please avoid booking any holidays in term time because we need children learning in school every day. We have a school target of 96% and ask you to help us achieve it. 90% attendance may sound quite good, but it actually means your child is missing the equivalent of:

- One half day each week
- Nearly four weeks every school year
- Over one year in a school career

Best classes for attendance are:

Week ending 28.03.25: Year 1 at 99%

Week ending 04.04.25: Reception at 92%

Well done Year 1 for 99% last week.

If your child is absent from school, please advise the school office by telephone or email by 9:30am on each day they are absent. Thank you for your cooperation with this.

The importance of arriving at school on time

A reminder that school starts at 8:55am. The children come into school and begin their phonics lessons as soon as the register is taken. This means the first lesson of the day starts at 9:00am. If your child arrives late to school, they are missing the beginning of the first lesson of the day.

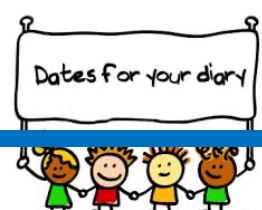

Please speak to Mrs Matton if you are experiencing any specific issues with arriving at school on time.

Parking and respecting our neighbours

We have been advised by the Black Horse that spaces in the front car park, **with the exception of the first 5**, can be used by parents when dropping off their children in the morning, but no parking is available at the end of the school day.

Please refrain from parking on the yellow zig zag lines in front of the school. This keeps the school gate clear and is important for the safety of our children and families when arriving and leaving school. Please also continue to respect our neighbours by ensuring driveways are left clear and roads are not blocked.

Thank you for your support in helping to make the journey to school safe for everyone.
