

Dear Parents and Carers

The last two weeks in school have been very creative. Year 1 have been making clay sculptures of penguins and Year 2 have been designing and sewing their own pencil cases (thank you very much to the volunteers who came in to school to help with this). Meanwhile, Reception class have been on caterpillar watch waiting for them to begin their metamorphosis into butterflies.

### Reception

In reception, the children have enjoyed observing caterpillars munching on their food, spinning silk and changing into chrysalises. We learnt about metamorphosis and are eagerly waiting for the butterflies to emerge.

Year 1

We enjoyed making sculptures out of clay.

Year 2

Our finished pencil cases!

## Sports Day

Sports day was great fun and the children did brilliantly in all their races.

Thank you Mrs Parrett for organising such a great afternoon!

Thank you also to the Friends of Fulmer for providing refreshments.

## **Attendance at School**

We all know how important it is for children to attend school regularly. To help with this, please avoid booking any holidays in term time because we need children learning in school every day. We have a school target of 96% and ask you to help us achieve it. 90% attendance may sound quite good, but it actually means your child is missing the equivalent of:

- One half day each week
- Nearly four weeks every school year
- Over one year in a school career

### **Best classes for attendance are:**

Week ending 13.06.25: Year 2 at 94%

Week ending 20.06.25: Year 1 at 95%

Well done Year 2 and 1.

If your child is absent from school, please advise the school office by telephone or email by 9:30am on each day they are absent. Thank you for your cooperation with this.

## **The importance of arriving at school on time**

A reminder that school starts at 8:55am. The children come into school and begin their phonics lessons as soon as the register is taken. This means the first lesson of the day starts at 9:00am. If your child arrives late to school, they are missing the beginning of the first lesson of the day.

Please speak to Mrs Matton if you are experiencing any specific issues with arriving at school on time.

## Parking and Respecting our Neighbours

We have been advised by the Black Horse that spaces in the front car park, **with the exception of the first 5**, can be used by parents when dropping off their children in the morning, but no parking is available at the end of the school day.

Please refrain from parking on the yellow zig zag lines in front of the school. This keeps the school gate clear and is important for the safety of our children and families when arriving and leaving school. Please also continue to respect our neighbours by ensuring driveways are left clear and roads are not blocked.

Thank you for your support in helping to make the journey to school safe for everyone.
