

Dear Parents and Carers

Last week we had great fun in school with our NSPCC Number Day activities. The children were very creative with their number inspired clothes and especially enjoyed working with their friends to answer the whole school maths challenge questions.

## Reception

The children in reception have had so many fun learning experiences over the last few weeks with our space topic. There was no better way to finished it off than with a picnic on the moon!

## Year 1

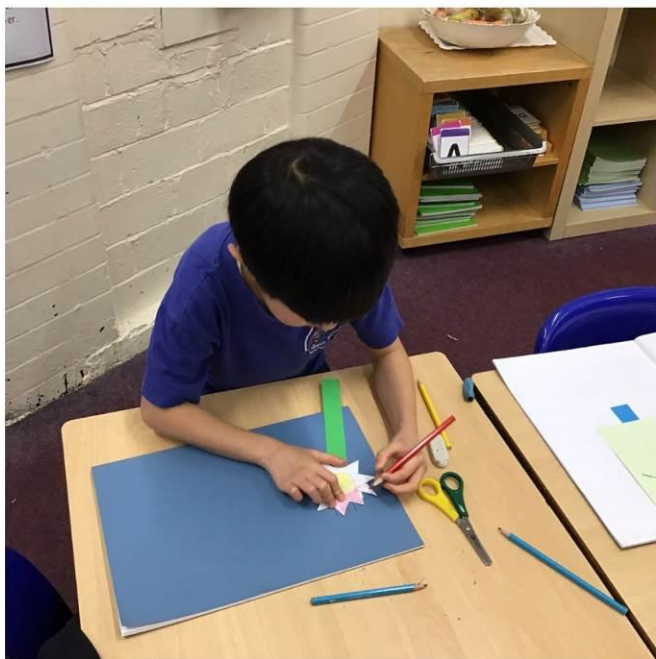

Year 1 have had a busy couple of weeks. They have made gargoyles out of clay in preparation to spot them on their school trip to Windsor Castle after half term. They created a design and molded the clay to make it look as close to their design as possible. The features they added on them were great!

Year 1 also made sock puppets this week in DT. They looked at the purpose of a sock puppet, created a design for one and then used different materials to make them eye-catching. What a super job Year 1 and thank you to our wonderful Year 1 parents for their help!

Year 2

Year 2 made pictures with levers and sliders.

## Celebrating our Achievements

At the end of every week school staff choose two children to be the Stars of the Week in their classes. These awards can be made for some special work, for demonstrating good learning behaviours or for demonstrating our school values. Certificates are presented in our Friday Celebration Assembly and the children are congratulated. The Stars of the Week this week are:

**Friday 6<sup>th</sup> February 2026**

***Stars of the Week***

***Year R – Annabel***

***Year R – Victor***

***Year 1 – Adam S***

## Achievements Outside of School

We love to hear about the children's achievements outside of school and to celebrate these in our Celebration Assembly. This week we have celebrated Darcey in Year 2 who has achieved Level 6 in swimming. Well done Darcey!

If your child receives a certificate or award for something they do outside of school, please do send it into school and we will celebrate it during our Friday Celebration Assembly.

## **NSPCC Number Day**

We raised £102.00 on Number Day. Thank you for your kind donations.  
The children had great fun using their maths skills to solve the Number Day challenges.

**Breakfast Club on Number Day  
playing snakes and ladders.**

## **Breakfast Club - Early Drop Off Trial**

Breakfast club is open every day from 7:45am. There is no need to book, you can just turn up on the day. Each session costs £7.00 and you can pay by cash or card. Breakfast is served until 8:30am for children attending this session.

## **Early Drop Off Trial extended until the end of the Spring Term**

I am pleased to advise that we have had a number of families taking advantage of our early drop off initiative. We have therefore, decided to extend the trial to the end of the Spring Term. The arrangements will remain the same and are as follows:

8:15am drop off, no breakfast provided. Cost £3.00

8:30am drop off, no breakfast provided. Cost £2.00

Please note that if your child requires breakfast the full session cost of £7.00 will be payable.

**When dropping your child off at breakfast club, please walk them to the hall and wait until they are marked in by an adult.**

The breakfast club menu includes:

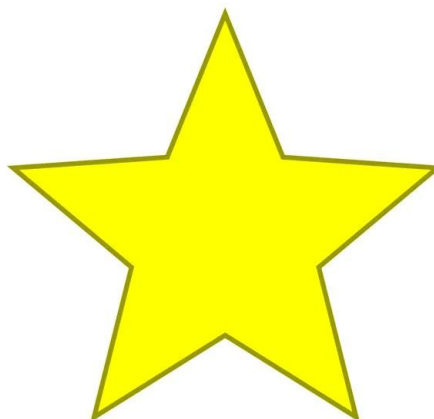

- Cereals
- Fruit
- Toast
- Eggs
- Beans
- Pancakes
- Milk
- Water
- Hot chocolate

## Friends of Fulmer Valentine Event

The children had a lovely time this afternoon at the Valentine Event.

Thank you very much to Friends of Fulmer for arranging this special treat for us!

## Attendance at School

We all know how important it is for children to attend school regularly. To help with this, please avoid booking any holidays in term time because we need children learning in school every day. We have a school target of 96% and ask you to help us achieve it. 90% attendance may sound quite good, but it actually means your child is missing the equivalent of:

- One half day each week
- Nearly four weeks every school year
- Over one year in a school career

### **Best classes for attendance are:**

Week ending 06.02.26: Reception with 94.5%

Week ending 13.02.26: Reception with 95%

Well done Reception!

If your child is absent from school, please advise the school office by telephone or email by 9:30am on each day they are absent. Thank you for your cooperation with this.

### **The importance of arriving at school on time**

School starts at **8:55am**. The children come into school and begin their phonics lessons as soon as the register is taken. This means **the first lesson of the day starts at 9:00am**. If your child arrives late to school, they are missing the beginning of the first lesson of the day.

Please speak to Mrs Matton if you are experiencing any specific issues with arriving at school on time.
