

Dear Parents and Carers

As we begin the second half of the Summer Term, we are looking forward to a busy and enjoyable time filled with exciting learning opportunities, special events and outdoor activities for the children. It has been wonderful to see the children continue to approach their learning with such enthusiasm and positivity. The photographs below provide a snapshot of some of the exciting activities and experiences they have enjoyed in recent weeks.

Reception

Reception's home corner has been transformed into a busy hair salon! The children have loved styling hair and welcoming customers through their imaginative role play. Mrs Bailey and Mrs Moghul were lucky enough to receive special makeovers from the budding hairstylists, and we all agreed they looked fantastic!

Year 1

The children thoroughly enjoyed the cricket trip to Beaconsfield Cricket Club and all the stations that were set up for them. They practised different skills such as batting, throwing, catching, making runs and teamwork games. A wonderful effort was given by all and the children did us proud.

Year 2 have been working on self-portraits in Art.

Celebrating our Achievements

At the end of every week school staff choose two children to be the Stars of the Week in their classes. These awards can be made for some special work, for demonstrating good learning behaviours or for demonstrating our school values. Certificates are presented in our Friday Celebration Assembly and the children are congratulated. The Stars of the Week this week are:

Lunchtime Supervisor Role

We are currently recruiting for a lunchtime supervisor.

Hours: 11:00am – 2:00pm Monday to Friday (15 hours per week)

Salary: Bucks Pay Range 1B Point 6 (FTE £24,836) actual salary £8,399.92

We are looking for someone to be responsible for the smooth running of lunchtime in school. The role includes preparing the dining hall, serving the children their food, supervising the children while they are eating and clearing away afterwards.

If you are interested in applying for this role or would like any further information, please speak to Mrs Matton.

Attendance at School

We all know how important it is for children to attend school regularly. To help with this, please avoid booking any holidays in term time because we need children learning in school every day. We have a school target of 96% and ask you to help us achieve it. 90% attendance may sound quite good, but it actually means your child is missing the equivalent of:

- One half day each week
- Nearly four weeks every school year
- Over one year in a school career

Best classes for attendance are:

Week ending 22.05.26: Reception with 95%

Week ending 05.06.26: Year 1 with 98%

Well done Reception and Year 1!

If your child is absent from school, please advise the school office by telephone or email by 9:30am on each day they are absent. Thank you for your cooperation with this.

The importance of arriving at school on time

School starts at **8:55am**. The children come into school and begin their phonics lessons as soon as the register is taken. This means **the first lesson of the day starts at 9:00am**. If your child arrives late to school, they are missing the beginning of the first lesson of the day.

Please speak to Mrs Matton if you are experiencing any specific issues with arriving at school on time.

Parking and Respecting our Neighbours - Reminder

A reminder to all parents and carers to please park considerately when dropping off and collecting children from school. Driveways and access roads must remain clear at all times, **including both gates to Fulmer Cottage.**

Inconsiderate parking, including obstructing roads or private driveways, reflects poorly on the school community and can have a negative impact on the positive relationships we work hard to maintain with our local residents.

We are grateful to the Black Horse Pub for continuing to permit parents to use spaces in the front car park, **excluding the first 10 bays**, for morning drop-off only. Please note that parking is not available there at the end of the school day.

Please also be aware that parking across driveways or causing an obstruction on the road may constitute a breach of the Highway Code. Parking enforcement officers do visit local roads and infringements may result in a Penalty Charge Notice being issued.

Thank you as always to our parents who continue to park considerately. Your support in making the journey to and from school safe for everyone is greatly appreciated.

Finally, we kindly ask all families to continue to be mindful of our neighbours in Allhusen Gardens by keeping noise to a reasonable level and ensuring that children play appropriately and respectfully, so as not to cause unnecessary disturbance to local residents.
