

Dear Parents/Carers,

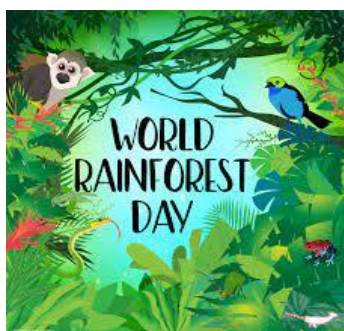

Welcome back for the second half of the Summer Term. We hope everyone was able to enjoy a very good half term break and that you weren't affected too badly by the travel chaos occurring at the local airports. Half term already seems a long time ago as we have had two very busy weeks in school and we have all enjoyed the lovely sunshine.

Celebrating Father's Day

This morning we have enjoyed wonderful celebrations at the start of the day wishing a very Happy Father's Day to many of the Dads and Granddads in our school community. What a truly fabulous turn out of Dads and Granddads and what a wonderful concert! The children, as ever, sang with joy and well done to Reception for singing your song twice, well worth a second go! Thank you to the staff for preparing the children so well and we wish you all a great day on Sunday.

Rainforest Day in Year 2

On Wednesday 8th June pupils in Year 2 were invited to come to school dressed in Rainforest safari clothing to celebrate all the learning that has taken place this term with their Rainforest projects and in honour of the national Rainforest Day which takes place in June every year.

The children had a lot of fun and looked amazing in their costumes. Thank you so much to all the parents who helped the children dress up in such appropriate clothing. It was a wonderful day.

Musical Visitor for Assembly

An accomplished musician, Laurie Farrelly, entertained the children at assembly this week playing the cello and the flute to the great delight of all. Several children were then chosen to play a drone on a child's cello to accompany Laurie as she played 'The Baby Shark' on a full size cello and the rest of the children sang along. It was delightful and so wonderful for the children to hear live music. A big thank you to Laurie!

Sports Day – Wednesday 15th June 2022

For three years now we haven't been able to have our annual sports' day on the Fulmer Rec so this week it was so wonderful to be back to normal. The children thoroughly enjoyed themselves and participated with great enthusiasm and sportsmanship. It was also such fun to see parents and younger siblings join in readily with their races too.

A really big 'Thank you' must go to Mrs Parrett, our sports coach and Year 1 LSA who organized the event so professionally and also thank you to the Friends of Fulmer for providing such wonderful refreshments. The oranges and melon for the children were delicious. The shone brightly for us and a wonderful time was had by all as the pictures below show.

Roll on next year – we can't wait to do it all again!

Year 1 Pupils Make 'Bug Hotels'

Over the last few weeks, the children in Year 1 have really enjoyed making bug hotels out of leaves and twigs, however, their resources have been somewhat limited. So a huge thank you to Liz, H's mother in Year 2, for providing some much needed logs. The children were truly excited and have had such fun developing their creativity designing and making more bug accommodation! When you're in the playground please do take a look at their creations just outside the hall.

Mind Workshops for Parents

Delvine, a representative from Bucks MIND, came to school on Monday to talk to parents about how to look after our own and our children's mental health. Although not many parents could attend, Delvine was amazingly impressed with the interactive nature of the workshop so thank you. Some organisations which you might find useful are the following:
