

Animals and Habitats - Week 9 – 22.06.20

	Monday	Tuesday	Wednesday	Thursday	Friday
English	Open the 'oa' PPT and on the first page, click the sound and listen to it a few times practising and joining in. Go through it, reading the words and sentences etc.	Open the 'long oo' PPT and on the first page, click the sound and listen to it a few times practising and joining in. Go through it, reading the words and sentences etc.	Practise letter and number formation, reading, speaking and listening, life skills and role play activities	Open the 'short oo' PPT and on the first page, click the sound and listen to it a few times practising and joining in. Go through it, reading the words and sentences etc.	Play the 'Mission to the Moon Board Game'. This can be played more than once.
Maths	Get 10 cubes/ animals/ objects. Find different ways of putting two animals into the jungle area or the water area (sheet in Maths Resources) for example, 10 animals – putting 2 into the water and 8 in the jungle. Link to number bonds to 10. Children to choose how they want to record this: Drawings, a number sentences, words, numbers in each area etc.	Recap the 2D shapes (word mat) and go through the Name the 2D shape Quiz PPT. Talk about each shapes - its sides and corners. Go on a 2D shape hunt using the attached sheet.		Use the Number Formation PPT to get children to practise writing their numbers 0-10 using the correct formation. Then progress to writing numbers to 30. Go through the Numicon Numbers PPT, asking them what each number is and then the children have to write one less and one more for each number.	Go through the 3D shapes and their properties PPT. Talk about each shape – its faces, vertices (corners), edges. Look at the 3D shapes sheet and label the 3d shapes with their correct names from the list.
Creative Areas	Explain that the sea is another habitat. What sea creatures are there? https://www.youtube.com/watch?v=LMwhyylsQVw Watch the story of and highlight the rhyming. Discuss the story and the problem. Is there a moral to the story? Speaking and listening - Where do you feel safe? What is your favourite place? Why? What is special about their home? Recap their addresses and their street name. Go through the Ronald the Rhyming Rhino PPT.	https://www.youtube.com/watch?v=GkZt4J9T8bc Watch the story of Clumsy Crab. How was he feeling? Have you ever felt like that? Recap that we are all good at different things and have different interests. Children to draw a picture of themselves (they could be given a mirror to see their features) and then write about what they are good at underneath. Or they could use the 'All About Me' sheet (Literacy resources).		https://www.youtube.com/watch?v=cXGZFzkA4lg Watch Smiley Shark and discuss the story and moral. Children to make waves and other sea sounds with musical instruments. What other sounds might you hear under the sea? Speaking and listening - "I feel happy when... I feel sad when... I feel excited when..."	Go through the Under the Sea – What Am I PPT. Discuss the stories from the week: Fidgety Fish, Smiley Shark and Clumsy Crab and get the children to pick which one was their favourite. Watch that one again. Why was it your favourite? Children to role play the story with the use of props. Encourage children to add expression to their speech.
